Acknowledgements

I wish to express my thanks to my students, who taught me everything I have learned about them, to my editors, whose dedication and professionalism are responsible for all that is good in this edition, and to my mother, Leona, who always knew I would write a book and whose encouragement led me to try. And my gratitude to Lesley, without whom this would not be.
Aleda Krause

Writing a children's course is a team effort. I would like to thank all of the editors and the entire *SuperKids* team at Pearson Education for making the new edition of *SuperKids* a reality. I also want to thank my co-author, Aleda Krause, for her support and encouragement. Lastly, I want to thank my friend Lesley who believed in me. I dedicate this book to my mother, Jewel.
